GOVERNOR COMMITTEES and GOVERNING BOARD

<p>Nature of the Committee</p>	<p><u>Estates and Environmental Safety Committee</u></p> <p>A committee of the Governing Board meeting at least 3 times a year</p> <p>The strategic development of the Foundation together with the Charity’s property is the responsibility of the Trustee Board. As a result, this Committee is also responsible to the Trustee Board – through the Trustees’ Finance Committee - for the maintenance and proper repair of the Charity’s property and operates within capital and maintenance programmes set by the Trustee Board</p>
<p>Link Manager</p>	<p>Estates Manager</p>
<p>Scope of Responsibilities</p>	<ul style="list-style-type: none"> • The Charity’s estate including buildings and resources • The maintenance and capital programmes and associated projects • The Health and Safety of employees and Foundation clients • Environmental policy • Security • Foundation’s vehicles, transport and site access • Utilities and energy • Maintenance, upkeep of trikes, cleaning and laundry services
<p>Specific Responsibilities</p>	<ol style="list-style-type: none"> 1. To ensure that the Charity complies with statutory requirements under the relevant Health and Safety legislation and creates a safe, healthy and sustainable environment for all users of the site including employees and visitors 2. To ensure the Foundation buildings, equipment and services and its policies comply with Ofsted and CQC requirements and that managers and employees receive appropriate training and support to achieve the highest outcomes. 3. To keep under review the Charity’s business continuity plan to ensure that potential risks are anticipated, plans are in place and there is the capacity to respond in a timely and effective way. 4. To have oversight of the work of the Foundation’s Engineering Team and its annual programme of work. 5. To keep under review and make recommendations on the Charity’s environmental and energy efficiency policy and that it is achieved in a sustainable and cost effective way. 6. To have oversight of the Foundation’s capital assets in order to secure that the Foundation has appropriate buildings and infrastructure necessary to operate its services efficiently and effectively and meet all statutory requirements while

GOVERNOR COMMITTEES and GOVERNING BOARD

	<p>preserving the character and heritage of the charity’s property and environment</p> <p>7. To contribute to the successful formulation and completion of strategic capital appeals and projects.</p> <p>8. To make recommendations to relevant committees on the long-term capital programme and prioritisation of funding required to meet current and future service needs.</p> <p>9. To make recommendations to the Trustee Board through the Governors’ Finance Committee on the long term maintenance programme required to maintain the charity’s estate and equipment and to endorse priorities for the next financial year and endorse any necessary in-year changes.</p> <p>10.To oversee the completion of the current year’s maintenance and capital programmes to secure timely, efficient and cost effective implementation and where responsibilities are delegated to keep these under review.</p> <p>11.To secure good value for money in capital projects, overseeing arrangements for procurement of services and endorsing major service contracts.</p> <p>12.To keep under review and make recommendations on management of capital projects set out in the Finance Manual, including definitions of capital items¹, levels of delegation and procurement arrangements.</p> <p>13.To keep under review the operation of the Estates team, including the management of transport, and to approve and monitor the implementation of the Estates Chailey Heritage Operational Plan (CHOP), effective management and development.</p> <p>14.To advise on the priority projects for the Foundation’s rolling 3 year capex programme taking into consideration</p> <ul style="list-style-type: none"> • The Foundation’s plans for service development • The accommodation needs of current services • The good maintenance of the Foundation’s property and the sustainability of its estate • The Charity’s cash reserves, fundraising capacity (and views of the Trustees’ Fundraising Committee) and cash flow. <p>15.To advise the Estates Committee on requests to the Trustee Board where the demand for capital works and/or large equipment exceeds the agreed total capital</p>
--	--

¹ Any item less than £2,500 is not a capital item and should be funded from the operational budget.

GOVERNOR COMMITTEES and GOVERNING BOARD

Quorum	<p>16.To have oversight and advise on capex proposals within the annual capital allocation for minor works taking account of:</p> <ul style="list-style-type: none"> ○ Statutory requirements ○ Impact on services including service disruption ○ The flexibility to move projects between financial years within the 3-year rolling programme² <p>17.Any contribution from the Chief Executive’s Reserve towards minor capital works</p> <p>Three Governors or two Governors and one Trustee</p>
Standing Items	<ul style="list-style-type: none"> ▪ Chair’s commentary on scheduled site visit ▪ Report from regular site inspection (Estates Manager with HT (school) and DOSC (residences LSC Hub) and CEO (admin) ▪ Summary Report from the Estates Manager including Termly Data and KPI Analysis • Capex update including projects in the pipeline with the: <ul style="list-style-type: none"> ○ Intended timescales for the project up to 3 years ahead ○ Estimated total capital costs ○ Proportion of the total to be raised from CHF Trustees’ Reserves and from external donations/ capital appeal. ○ expenditure by the Estates Manager from the contingency fund, to be used for any emergency maintenance ³ ▪ Minutes of Staff Estates and Environmental Safety Committee ▪ Policies and Procedures updates and reviews ▪ Risk Register and Update ▪ Impact of the Governors/Committee
Autumn	<ul style="list-style-type: none"> ▪ Estates CHOP (Chailey Heritage Operational Plan) ▪ Work schedule, estimates and priorities for year (included in Autumn Summary Report) ▪ Annual report from the Engineering Team to include strategic objectives and priorities for coming year, and a summary of the engineering budget. ▪ SCIP & SIP exception report relevant to EES (DH and DOSC)
Spring	<ul style="list-style-type: none"> • Spring report on CHOP • Spring report on SCIP & SIP actions relevant to EES (DH and DOSC)

² The actual annual capex spend may fluctuate both below and above the agreed annual budget (currently £150K) In a year where the actual capex spend exceed this sum (£150K), the amount available in the following year, reduces to maintain the agreed annual average capital expenditure over the two years.

³ Set at £25k for small unexpected items of repairs and renewals
